

The role of Calvin-Thomas is to select you and to prepare you for your year in the USA as an au pair. We provide you with all the upfront costs so that you have no nasty surprises once you are registered with us!

For their part, our American correspondent, [EurAupair](#) (American organization designated by the US department of State) selects and prepares the families. This double selection/preparation offers each party peace of mind. Through the intermediary of both organizations, you and your future host family are put in contact; you can therefore envisage an au pair program that takes place in the strictest legality. In the USA [EurAupair](#) ensures continuous support.
